

THE NEFERTARI GAZETTE

DECEMBER 2022 | ISSUE 1 (FIRST SEMESTER)

The Newsletter of the Nefertari International Schools - October

PROUD, GRATEFUL AND BLESSED!

It is wonderful to witness how Semester 1 has ended at Nefertari International Schools. I am **proud of** our faculty and students who enthusiastically kicked off the new academic year, 2022/2023. I am also proud of our supportive parents, who always seize the opportunity to support and contribute to the Nefertarian community.

We are all **grateful** that the school launched the Semi-international division this year from Baby Class to Primary 3. We are **blessed** that our little Nefertarians have shown great improvement and outstanding performance academically and socially. The school administration and faculty could only have achieved this success with our cooperative parents' support.

We are thrilled to announce that our 3rd batch of seniors will be graduating from both divisions (American and British) in June 2023.

Our team (faculty and administration) wishes all our Nefertarian families a blessed and joyful winter break. Wishing all the Nefertarian families happiness, success, and prosperity in 2023.
