### New Members

A warm welcome to the students and parents who have joined NLS this year. We are sure you will settle in and be part of the family quickly.

### Rules of parents and caregivers

Please review the student handbook for detailed information on school policies, including dress code, attendance, and homework expectations. It's essential that students adhere to these guidelines to create a positive and productive learning environment. If you have any questions or concerns, please don't hesitate to contact the school Headmistress or the school office.

*Good luck..*

# ENGLISH

## Accomplishments in Middle and High School English Department.

Students joined our professional drama and theatre classes to unleash their creativity and hone their performance skills. From acting fundamentals to advanced techniques, our experienced instructors guided on a journey of self-discovery and artistic expression.

## PRIMARY STAGE MATH DEPARTMENT

Practice counting money and understanding how to stay within a budget while shopping

Illustrate how math is used in everyday activities such as budgeting, .cooking, shopping and planning trips

Use interactive tools and applications to make learning about numbers more engaging and enjoyable.

## Science Department

The recent science fair was a dazzling display of young minds at work. The diverse range of projects showcased the creativity, curiosity, and scientific acumen of our students. From intricate engineering marvels to groundbreaking biological experiments, each project was a testament to the power of inquiry and exploration.

## Primary Group Work

Group work was a valuable tool for enhancing language learning. It provided students with opportunities to practice speaking, listening, and collaborating in a supportive environment. By working together, students could develop their communication skills, build confidence, and gain a deeper understanding of the English language.

## French Département

Les enseignants du département ont transféré les expériences qu'ils ont acquises au reste des membres du département et dont les thèmes étaient centrés sur les différences individuelles entre les étudiants comme modifier les comportements négatifs entre les étudiants.

En plus, les différentes méthodes d'enseignement du français langue seconde à l'aide de différentes activités.

L'année passée, quelques élèves des cycles primaires ont présenté une petite pièce de théâtre comprenant une chanson appropriée à la pièce.

En plus, les élèves de deuxième année de collège ont réussi l'examen DELF, 1er niveau, et les élèves de 3ème année de collège et de 1ère année de secondaire ont réussi l'examen DELF ,2ème niveau.

**1st and 2nd Secondary  
Community Service**

Since winter is approaching, we decided to give back to the community through donating clothes for those who are in need.

1. Clothes MUST be in good condition.
2. Clothes should be dry cleaned and folded and packaged well.
3. You can hand in your donations to Yassin Fathey or at the kitchen room found in the basement.

Under the supervision of: **Mrs. Rabab Sabry**

Let's give back to our community and help those who are in need. Thank you for your co-operation, you'll make a difference. You'll make someone warm this winter! 

## German Department Activities

### Projects and activities 2024/2025

The German department believes that learning another language opens a window into another culture, as German is the language that is spoken the most in Europe. Our collaboration with the Goethe Institute began in 2008 offering interesting opportunities for our students to get to know the German language and culture at an early stage.

**1. Buchstabierwettbewerb → spelling bee (Grade 2 - 6)**

**2. Reading competition → Lamar Yasser (Grade 6)**

**3. Die Internationale Deutscholympiade → competition (Grade 7 and 8)**

Our outstanding student Nour Amr (Grade 8) was qualified as one of the top thirty students in the final playoffs hosted by the Goethe institute -Kairo in collaboration with the Egypt Ministry of Education.

**4. B1-Exam → (Grade 10)**

**5. YFU → (Grade 9, 10 and 11)**

Laila Mostafa (Grade 11) was offered a scholarship to spend the academic year 2024-2025 studying in Germany. It is an enriching opportunity to be part of the community there and gain global understanding and variety of perspectives by experiencing the culture not only academically but even through engaging in the normal day to day activities.

**6. Students exchange program (Grade 11):**

We are delighted to announce that we are organizing another exchange with our partner school in Germany The Gnadenthal Gymnasium

The educational benefits of an exchange go beyond what the student learns by way of improving his German or finding out about aspects of European history, geography and culture. It is a new experience for most students to welcome a guest in their own home and look after them appropriately and later during their visit to Germany to stay in another .home and to see how german family live

# Extracurricular Activities

We believe that extracurricular activities offer a multitude of advantages for students. They help develop essential skills like teamwork, leadership, problem-solving, and time management, fostering personal growth. Additionally, participation in these activities is often linked to improved academic performance. Furthermore, they contribute to students' overall well-being by providing opportunities for social interaction, stress relief, and a sense of belonging. Moreover, involvement in extracurricular activities can enhance college applications and demonstrate a well-rounded student. Finally, they foster a sense of community and civic responsibility.

Our school offers a wide range of extracurricular activities to foster students' interests and talents.

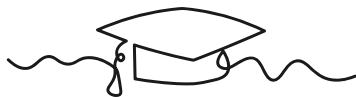

## ART DEPARTMENT

Art fairs were vibrant hubs for art enthusiasts, collectors, and artists alike. These bustling events showcased a diverse range of works, from established masters to emerging talents. We simply love to appreciate the beauty of art and discover new artists! Our art fairs offered an immerse and inspiring experience."

## UPDATE DATA

In case of emergency, the school needs to contact parents instantly that is why it is crucial that you update the following:

- Old or emerging medical condition of student.
- Valid contact number, with an active WhatsApp that can be reached promptly.
- Residency.
- Valid email for Classera.

You will receive a link via CLASSERA, click and fill in the form.

Thanks for your cooperation

## TIMING

As you plan the upcoming year, please note the new school hours are 7:15 AM – 2:30 PM. The earliest any child can be dropped off at the school is 7:00 AM.

It is very important that your child arrives to school on time every day. Students dropped off prior to 7:00 am. will not be supervised or allowed entry to the building.

## ATTENDANCE

Tracking student attendance helps the teachers to follow up students' absenteeism and punctuality.

And since attendance is key to taking advantage of all the resources and tools our teachers have to offer, and to help your child be successful. The NIS believes that regular attendance is mandatory:

1. Attendance carries 25% of the overall year's work as per the rules of the ministry of education
2. Students will receive a zero in participation and quizzes of that day.

## Travelling

There are several holidays built into our school's system's calendar which is uploaded on the school website, so please try to plan your vacations in conjunction with the school's holidays so that your child does not miss any important instruction.

## SCHOOL VISIT

Parents' visits to campus are strictly limited

Each visitor must make an appointment before coming to meet the administration body.

Parents are kindly asked to communicate with the school through Classera, email, phone calls from 8-9 in the morning / 1-1:30 afternoon.

- Coming to school should be for urgent matters only.
- Below is the meeting schedule.
